One article comes from *Twigworth News*, the other from *Sandhurst Weekly*. Can you see which is which?

Fans cheered Twigworth Rovers off the pitch after they earned a replay in this epic cup match at Gloucester Park on Saturday. Playing into a strong wind in the first half the home side conceded two goals as Sandhurst United continued their good form in the league.

After a rousing halftime talk by coach Dave Sadler, the Rovers came out fighting and turned the game round when Jim Toner scored with a spectacular volley in the 80th minute. Then in the dying minutes Tommy Spindler was brought down in the area by Sandhurst captain Neil Simmonds, and Kevin Starbright stepped up to score from the spot to level the score. Sandhurst manager Tim Crichton vented his frustration about the penalty as the teams left the field, and was warned by the referee for using abusive language.

Despite being 2-0 up at halftime Sandhurst had to settle for a draw in this Severnside cup fixture. From the start Sandhurst moved the ball around intelligently, and took control of this local derby when Pete Thomas headed home from a Nick Jones cross on the left. After halftime the winds made the game a lottery as both sides floundered on Twigworth's rain-soaked pitch, before Twigworth scored twice late into the match – the second a controversial penalty – to earn a replay at Sandhurst. "The Twigworth lad fell over in the mud," said Sandhurst coach Tim Crichton.

The match video clearly shows the Twigworth striker tripping over his own feet, but the Sandhurst boss remained sanguine. "That's football," said the former Derby County midfielder. "You get decisions like this, we all do. The ref had an off day. It can happen. Now we've got to go out and do it again when Twigworth come to our place next week."
